

Working for the European Dimension  
in Education

A hand is visible in the bottom left corner, holding the stem of a dandelion seed head. The seed head is white and fluffy, with several seeds blowing away towards the right. The background is a soft, out-of-focus green, suggesting a grassy field.

# Discussing Dissemination Strategies

Erasmus+ KA1  
Continuous Professional Development Programme

# Definition

Teachers were thought to be the problem...

**Teachers are  
NOW part of the solution**

Sharing of good practice

Communication

Educational Change

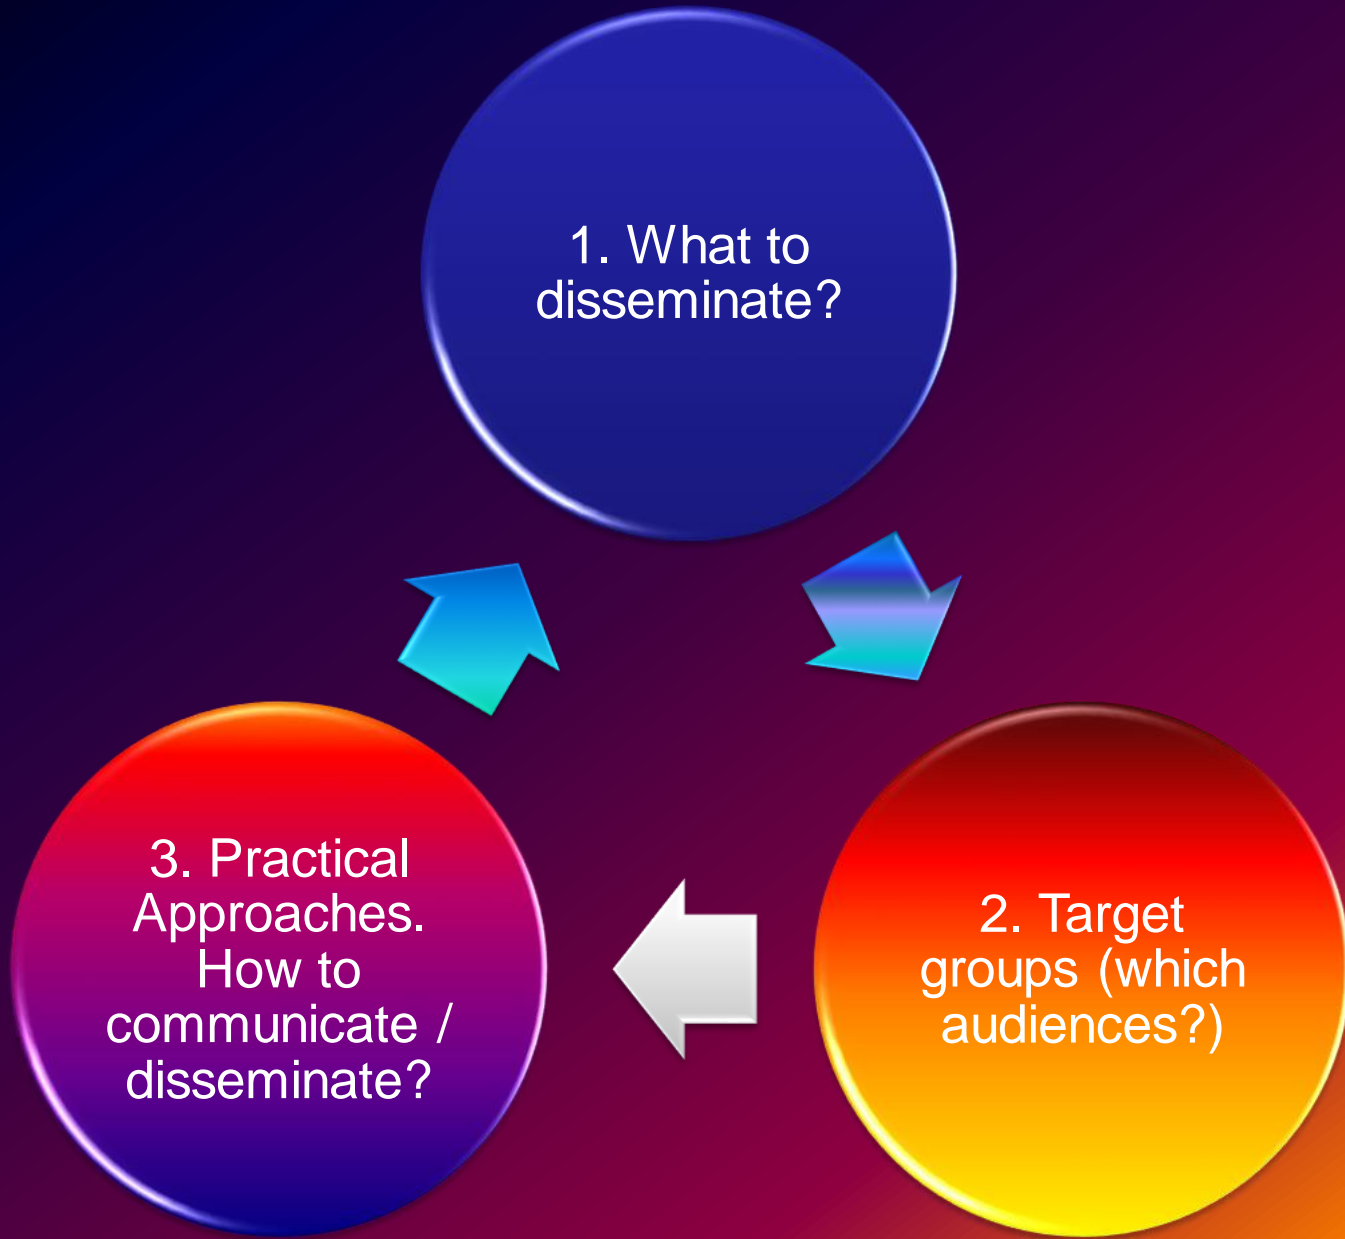

Networking

Professional Development

Dissemination

# Dissemination Strategy

# Target Groups

- Students, colleagues, Principal/Headteacher ...
- Members of the school board, parents' association ...
- Members of the professional community
- Educational authorities
- Professional journals and websites
- General / Social media
- Etc.

# Some Practical Approaches to Effective Dissemination

- Web 2.0: web sites, blogs, streaming video, e-learning environments, Twitter, Facebook, WhatsApp...
- Newsletters, reports, articles, publications, papers, handbooks, books...
- Face-to-face networking at events and conferences, symposia, workshops, seminars, meetings...
- Hardcopy digital communication (CD, DVD...)
- Effective partnership, eTwinning...

No one  
belongs  
here more  
than you.

A suggestion:

Why not write your report to your school or your national agency in the form of an article to be published?

# One final reflection for dissemination...

"This Europe must be born. And she will when Spaniards will say 'our Chartres', Englishmen 'our Krakow', Italians 'our Copenhagen', when Germans say 'our Bruges'... Then will Europe live. For then it will be that the Spirit that leads history will have uttered the creative words: ***Fiat Europa***"

Salvador de Madariaga (1948)
